TOUR B X TIGER WOODS LIMITED EDITION 3-PIECES

BRB4WXTW Dozen

NEW REACTIV X System combines the REACTIV iQ Smart Cover Technology with XCLRNT mid-layer for INCREASED DISTANCE off the tee and IMPROVED FEEL and CONTROL around the green
MORE DISTANCE: REACTIV X System creates intensified rebound on tee shots, delivering explosive velocity and increased distance
MORE CONTROL: REACTIV X System stays on the face longer on approach shots, providing more spin and soft feel around the green
The TOUR B X delivers increased ball speed for MAXIMUM DISTANCE off the tee and HIT & SIT performance on approach shots
Bridgestone Golf is the #1 BALL FITTER IN GOLF: The TOUR B X is ideal for players with swing speeds OVER 105 MPH who want additional distance
TIGER WOODS and JASON DAY assisted in the development of the NEW TOUR B X and they along with MATT KUCHAR and CHRIS GOTTERUP play it in professional competition
TIGER WOODS EDITION TOUR B X features TIGER commemorative packaging, TIGER side stamp, and 1 as player number – the exact same ball played by Tiger Woods in competition.

TOUR B XS TIGER WOODS LIMITED EDITION 3-PIECES

BRS2WX6DTW Dozen

The XS Tiger as the name suggests is the ball that the tiger plays. This ball was developed by Bridgestone's R&D team together with Tiger Woods: 'I was able to own this design more than any other ball specification in my career. We've taken it to the next level with the new REACTIV wrap that gives me the right feel and has a short game spin that outperforms my previous urethane ball. It's definitely longer while still being controllable.
The Tour B XS Tiger Woods edition golf ball that allows you to play with a ball identical to those used by Tiger Woods in competition. Performance-wise, THIS GOLF BALL IS IDENTICAL TO THE STANDARD TOUR B XS MODEL. Designed for golfers whose swing speed exceeds 170 km/h, THIS BALL BENEFITS FROM A REACTIVE COVER THAT ALLOWS MORE DISTANCE AND MORE EFFECT. Soft to the Touch for Maximum Effect on the Green.

Bridgestone Golf is the #1 BALL FITTER IN GOLF: The TOUR B X is ideal for players with swing speeds OVER 105 MPH who want additional distance.

TOUR B MINDSET XS 3-PIECES

BRS4WXMS Dozen

The NEW TOUR B with MindSet – the first ball scientifically designed to help you separate analytical thoughts from athletic performance. MindSet is a visual cue on the golf ball that reminds you of the easy three step process.
Step One: IDENTIFY YOUR TARGET. The first step is information gathering. Where is my target, what is the distance, wind conditions and what club do I need to hit?
Step Two: VISUALIZE THE SHOT PATH. This step is about connecting to the target and visualizing the shot or putt you want to hit.
Step Three: FOCUS ON THE DOT. In this step, you stay connected to the target, clear your mind of analytical thoughts, focus on the green dot and execute the shot you visualized.

DIMPLE PATTERNO: A golf ball flight trajectory is all about the dimples… and a 352 “Bee-Panel” dimple pattern guarantees that only the most modern technology has been implemented in our Replay Range Ball.

COVER: Mix of the most advanced Surlyns with a wider cover thickness for a better protection of the core and spin of the nished ball, combined with a quality control center proof technology to avoid any miss-centered balls.

CORE: Highest quality polibutadiene cores for maximum durability as well as smooth compression for a better feel especially in long irons and drivers.

QUALITY CONTROL: Our thrive for quality is constant! Every single production process has its own quality controls as well as double canon testing the durability of each core batch and finished ball. Apart from our internal quality control processes, we work with different professional golfers of the PGA Tour to feel, test and help us manufacture the best value added range ball in the market.

J.LINDEBERG

INTRODUCTION

J.Lindeberg was born out of an idea to inject style and energy to golf by changing how players all over the world dress on and off the course. They offer sophisticated, edgy and comfortable products for a modern active lifestyle.
Their first brand ambassador,Jesper Parnevik, put the brand on the map when wearing our now-iconic pink pants as he won the AT&T Byron Nelson tournament on the PGA Tour in 2000.
Today, J.Lindeberg has grown into a fashion and sports brand with a worldwide presence, offering innovative pieces within fashion, golf, ski, tennis, outdoor and more.

INTRODUCCIÓN

J.Lindeberg nació de la idea de inyectar estilo y energía al golf al cambiar la forma en que los jugadores de todo el mundo se visten dentro y fuera del campo. Ofrecen productos sofisticados, vanguardistas y cómodos para un estilo de vida activo y moderno. Su primer embajador de marca, Jesper Parnevik, puso a la marca en el mapa al usar nuestros icónicos pantalones rosados y ganar el torneo AT&T Byron Nelson en el PGA Tour en 2000.
Hoy en día, J.Lindeberg ha crecido hasta convertirse en una marca de moda y deportes con presencia mundial, ofreciendo piezas innovadoras en moda, golf, esquí, tenis, actividades al aire libre y más.

INTRODUCTION

Our global fashion collection offers premium elevated fabrics in highgauge poly/elastane blends with cooling ventilated structures. Our fabric is superior because it doesn't wrinkle, is breathable, cool to the touch, doesn't shrink or fade, is sustainable, and is constructed with fabric so dense the fabric isn't sheer. Every time the garment is worn is ike its first time out of the box.
All our polos include a collar stand with specially-curated interlinings for a more tailored semi-spread collar, as well as our trademark engineered seams ("Swing tech"), which brings improvement for every movement.
Our fashion shorts feature fun but tasteful conversational prints, all engineered with unique stretch, swing tech seams, and ventilated structures.
At Callaway Apparel we're focused on creating all-day performance essentials with sustainable designs of superior-quality and versatile pieces that allow you to do more with less. This season, we're proud to offer our most extensive range of essential printed polos. **#IWEARCALLAWAY**

INTRODUCCIÓN

Nuestra colección de moda global ofrece tejidos premium elevados en mezclas de poliéster/elastano de alta densidad con estructuras ventiladas que refrescan. Nuestro tejido es superior porque no se arruga, es transpirable, fresco al tacto, no se encoge ni destiñe, es sostenible y está construido con una densidad tal que no se transparenta. Cada vez que se usa la prenda es como si fuera la primera vez fuera de la caja.
Todos nuestros polos incluyen un soporte de cuello con entretelas especialmente seleccionadas para un cuello semiextendido más ajustado, así como nuestras costuras patentadas ("Swing tech"), que ofrecen mejoras para cada movimiento.
Nuestros pantalones cortos de moda presentan estampados conversacionales divertidos pero elegantes, todos diseñados con un estiramiento único, costuras "swing tech" y estructuras ventiladas.
En Callaway Apparel nos enfocamos en crear prendas esenciales de rendimiento durante todo el día con diseños sostenibles de calidad superior y piezas versátiles que le permiten hacer más con menos. Esta temporada, estamos orgullosos de ofrecer nuestra gama más amplia de polos estampados esenciales.

GLENMUIR
1891

OUR JOURNEY SINCE 1891

At Glenmuir, we put our heart into everything we do. Our heart is in the Scottish landscape, on the links, out on the fairway, and in our golf clothing. Each piece is conceived, created and crafted with passion, enthusiasm and the utmost care. We're a proud family run business, with a valued, close-knit team who live and breathe golf.

THE WORLD'S MOST LOVED GOLF CLOTHING

Many things may have changed since our beginnings in 1891, but our purpose was, is and always will be to craft the world's most loved golf clothing.
In 1891, local businessman Andrew MacDougall established a knitwear factory in the small village of Kirkfieldbank, near Lanark, in the beautiful surroundings of the Clyde Valley in Scotland. Legend has it that Mr. MacDougall's first work force initially consisted of five women, all called Mary. Mr. MacDougall was the inventor of a new power-driven machine that greatly simplified the design and manufacture of fancy golf hose.
MacDougall cared a great deal for his work force, offering treatment when they were ill and making sure they knew they were valuable to the business. This can be seen in a letter Mr. MacDougall writes to employee Tom Russell.

NUESTRO VIAJE DESDE 1891

En Glenmuir, ponemos nuestro corazón en todo lo que hacemos. Nuestro corazón está en el paisaje escocés, en los campos de golf, en el fairway y en nuestra ropa de golf. Cada pieza se concibe, crea y elabora con pasión, entusiasmo y el máximo cuidado. Somos una empresa familiar orgullosa, con un equipo cercano y valorado que vive y respira el golf.

LA ROPA DE GOLF MÁS AMADA DEL MUNDO

Muchas cosas pueden haber cambiado desde nuestros inicios en 1891, pero nuestro propósito fue, es y siempre será crear la ropa de golf más amada del mundo.
En 1891, el empresario local Andrew MacDougall estableció una fábrica de prendas de punto en el pequeño pueblo de Kirkfieldbank, cerca de Lanark, en los hermosos alrededores del Valle del Clyde en Escocia. La leyenda cuenta que el primer equipo de trabajo de MacDougall estaba compuesto inicialmente por cinco mujeres, todas llamadas Mary. MacDougall fue el inventor de una nueva máquina impulsada por energía que simplificó enormemente el diseño y la fabricación de medias de golf ornamentadas.
A MacDougall le preocupaba mucho su equipo de trabajo, ofreciendo tratamiento cuando estaban enfermas y asegurándose de que supieran que eran valiosas para el negocio. Esto se puede ver en una carta que MacDougall escribe al empleado Tom Russell.

CUTTER & BUCK™

OUR STORY

In The Pacific Northwest
We Live Without Limits
We are the bigger-the-better idea people and the up-for-anything instigators. Working hard to improve the world around us, we seek new frontiers to fuel our ingenuity as pioneers. We invite you to push beyond what is, to what could be in the work you do and the life you choose.

Founded on Seattle's working waterfront, the words "Cutter" and the "Buck" were chosen to symbolize the region we know and love, where the sea, represented by a Cutter, and the mountains, represented by a Buck, meet and live-in harmony.

NUESTRA HISTORIA

En el Noroeste del Pacífico
Vivimos sin límites, Somos personas con ideas de que lo grande es mejor y los instigadores dispuestos a todo. Trabajamos arduamente para mejorar el mundo que nos rodea, buscamos nuevos horizontes para alimentar nuestra inventiva como pioneros. Te invitamos a ir más allá de lo que es, hacia lo que podría ser en el trabajo que haces y en la vida que eliges.
Fundada en el frente marítimo de Seattle, las palabras "Cutter" y "Buck" fueron elegidas para simbolizar la región que conocemos y amamos, donde el mar, representado por un Cutter, y las montañas, representadas por un Buck, se encuentran y conviven en armonía.

The following products are a selection of the Cutter & Buck's clothing essentials. If you wish to find the full catalogue per season and the stock we have at our Warehouse please access to our b2b through the following link if you are on a computer or the QR if you are using a smart phone.

Daily Sports

Through creative design and the Swedish sense of style and quality, we create clothes to feel comfortable in. Back in 1995, Elisabeth Skoghag discovered how conservative and boring the golf fashion was and decided to create the golf clothes she couldn't find. Daily Sports paved the way as Sweden's first clothing brand solely for female golfers, and today our clothes are available in over 30 countries.

Through great fit, functionality and comfort, we want to give you the freedom to perform at your best and to engage in your passion, both on and off the golf course. Wear the clothes for work, to the gym, on the golf course or when meeting up with friends. Discover functional clothes, with a feminine fit and smart details – Welcome to Daily Sports.

A través del diseño creativo y el sentido sueco de estilo y calidad, creamos ropa para sentirse cómodo. En 1995, Elisabeth Skoghag descubrió lo conservadora y aburrida que era la moda de golf y decidió crear la ropa de golf que no podía encontrar. Daily Sports abrió camino como la primera marca de ropa exclusivamente para golfistas femeninas en Suecia, y hoy en día nuestra ropa está disponible en más de 30 países.

A través de un gran ajuste, funcionalidad y comodidad, queremos brindarte la libertad para rendir al máximo y disfrutar de tu pasión, tanto dentro como fuera del campo de golf. Usa la ropa para trabajar, ir al gimnasio, en el campo de golf o al encontrarte con amigos. Descubre ropa funcional, con un ajuste femenino y detalles inteligentes. Bienvenido a Daily Sports.

The following products are a selection of the Daily Sports' clothing essentials. If you wish to find the full catalogue per season and the stock we have at our Warehouse please access to our b2b through the following link if you are on a computer or the QR if you are using a smart phone.

GOLF CLUBS

Palos de Golf

www.holidaygolf.com

Parsons Xtreme Golf (PXG) was founded in September of 2013 by well-known businessman, philanthropist and golf nut Bob Parsons. PXG was born out of Parsons' desire to make the world's best golf equipment.

More than 200 global patents later, Parsons Xtreme Golf has introduced a full line of golf clubs that are forcing golfers to change the way they think about the game. In response to explosive growth since its inception, PXG has quickly become an international brand, with stores, fitters, retailers and distributors around the world.

MDGOLF

STR40 DRIVER

GRAPHITE

MDDRSTR40 REGULAR

10.5°

The new Superstrong STR40 driver has been designed with a classic 460cc driver head shape in a stunning black PVD finish.
A superb product that will suit a wide range of game improvers who want the winning combination of distance off the tee and forgiveness on off-centre strikes, aided by a high Moment of Inertia (MOI).

- Striking black PVD finish club head.
- 460cc head.
- Apollo Balistik graphite shaft.
- MD Golf tour-inspired grip.

FAIRWAY WOOD

STR40 FAIRWAY WOOD

GRAPHITE

MDFW3STR40 REGULAR

15°

The Superstrong STR40 fairway wood (15°) has been designed to offer incredible forgiveness and value for money, while also looking stylish at address. MD engineers designed the fairway wood with a towering ball flight in mind, repositioning weight to the perimeter of the club and moving the centre of gravity low and deep in the head. The versatility of the fairway wood will ensure excellent results from the tee, fairway or rough and like the driver and hybrid, the fairway is fitted with an Apollo Balistik graphite shaft.

HYBRID

STR40 HYBRID 4

GRAPHITE

MDHY4STR40 REGULAR

22°

Building on the extensive legacy of the previous STR30 product range, the new for 2022 STR40 Collection has been developed to launch the ball higher and on a more powerful ball flight
The STR40 Hybrid is the perfect long-iron replacement for golfers who struggle for consistency of ball strike on longer approach shots

DRIVING IRON

STR40 DRIVING IRON

GRAPHITE

MDDISTR40 REGULAR

18°

The new Superstrong STR40 Driving Iron (18°) will give golfers who prefer a long-iron over a rescue club off the tee a fairway finding option, but the versatility and ease-of-use will allow them to also utilise it for approach shots into longer holes too. It has been engineered to deliver a high, powerful ball flight and offer maximum forgiveness and precision when golfers require it most.

Grips

Introducing Zenergy, SuperStroke's new line of putter grips featuring enhanced SPYNE® Technology, new multi-zone texturing, and our patented no-taper shape for unmatched confidence to quiet your hands – and yourmind. Features Include:

Enhanced SPYNE® Technology – The new SPYNE® Technology has an improved, embossed ridge along the underside of the grip, engineered to make it easier to square the face at impact.

New Multi-Zone Texturing – Strategically placed textured in high-sensory areas designed to optimize feedback and comfort from the incredibly soft polyurethane outer layer.

No Taper Technology – Our patented No Taper minimizes grip pressure with an advanced parallel design that enables golfers to quiet their hands and add consistency to their stroke.

Tech-Port – Located at the top of SuperStroke grips, Tech-Port allows golfers to easily add game-improvement options including the patented Counter Core weight system and performance tracking sensors.

BIG MAX

TROLLEY JUNIOR 3W

BMGC00052204

The Junior Max 3W Trolley grows with the young golf pro for several years. This is made possible by the telescopic telescopic pole. Junior Max 3W – compact trolley for adolescent golf professionals. Thanks to the quick-release mechanism and the removable front wheel, the trolley is folded up quickly and compactly. The Junior Max 3W has a push-on and push-off brake function and an adjustable bag support.

MGI ZIP X5

PSMGIX5

Make it a level playing field with the MGI Zip X5 with the ingenious advantage of Downhill Speed Control and an Electronic Park Brake. The downhill speed control eliminates the need for the golfer to manually adjust the speed control when walking downhill creating an effortless, weightless transition on all downhill terrains. Such a feature allows the golfer to focus only on the next shot, leading to lower scores and increased satisfaction. Plus, park on any incline by activating the electronic brake at the press of a button. The MGI Zip X5 is the game changer.

SUNDOG EYEWEAR

A COMPANY WITH A MISSION

PROVIDING HIGH-QUALITY, PERFORMANCE-DRIVEN SUNGLASSES

Sundog Eyewear was founded in 1983, a company that is dedicated to providing high-quality, performance-driven sunglasses for athletes and outdoor enthusiasts. With a focus on superior protection, clarity, and comfort, Sundog's products are designed to meet the unique needs of golfers, runners, and cyclists, as well as those who enjoy other outdoor activities.

REPUTATION FOR EXCELLENCE

With over 40 years of experience in the industry, Sundog has earned a reputation for excellence in design, innovation, and customer service. Sundog's polarized sunglasses provide the perfect combination of style, comfort, and performance. With the introduction of TrueBlue, you can experience even greater visual clarity and color contrast, taking your outdoor performance to the next level.

INNOVATION MEETS FUNCTIONALITY

Our sunglasses feature premier lens technology, including TrueBlue, Polarized, and SD-C7 Polycarbonate lenses, providing superior eye protection from damaging ultraviolet light, shatter-resistant lenses, and enhanced vision.

EXPERIENCE THE SUNDOG DIFFERENCE

Sundog Eyewear is proud to collaborate with top athletes to create products that are specifically designed to meet their unique needs. We work with professional golfers **Paula Creamer**, **Charley Hull**, on the LPGA Tour, and Canadian born **Jimmy Jones**, on the PGA TOUR Canada.

SOLEX SUN PROTECTION

SOLEX

We all know that regular exercise is good for us. Outdoor activity is good for the body and soul, but are we exposing ourselves to danger in the pursuit of health?
Solex takes all of these conflicting factors into consideration when developing the Solex applicator bottle and suncream. They wanted to find a way to offer an easy application that can be done throughout our activity without affecting our performance in sports we love to play.
Protected by several patent applications, the unique features of the Solex applicator bottle fulfils the needs of sun protection on the go.

Todos sabemos que el ejercicio regular es muy beneficioso. La actividad al aire libre es buena para el cuerpo, pero ¿nos estamos exponiendo al peligro en la búsqueda de la salud?
Solex ha tenido en cuenta todos estos factores a la hora de desarrollar el frasco aplicador y la crema solar Solex. Querían encontrar una forma de ofrecer una aplicación fácil que pudiera realizarse durante toda nuestra actividad sin afectar a nuestro rendimiento en los deportes que nos gusta practicar.
Protegido por varias solicitudes de patente, las características únicas del frasco aplicador Solex satisfacen las necesidades de protección solar.

SOLEX SUN PROTECTION

SOLEX SUN CREAM SPF30

SOLEXSPF30

Solex is new and unique to the sports market. Made to the highest standars, this sun cream will be your partner at the course. Sun protection is very important to golf players due to the continued exposure to the sun.
Too many players just don't re-apply as they don't want greasy hands spoiling their game, but this leads to harmful exposure.
With Solex applicator, golfers can find an easy application that can be done throughout their activity without affecting their performance.

The TOUR TEE Combo pack is the perfect combination for all golfers. The original is designed to be used with your driver while the mini is perfect for your fairways and long irons. Contains 5 Tees.

- Small bumps on the top of the tee produce low spin launch for added distance and control
- ADD 12+ Yards
- Made with Recycled Plastics
- Environmentally friendly
- Virtually Unbreakable when used correctly
- USGA and R&A Conforming
- Patented Design
- Groove Cleaner
- Divot Tool

TOUR TEE

TOUR TEE PRO GREEN (PACK 4)
